5 day Liquid Penetrant Inspection Course. Combined Level 1 & 2	£735.00
3 day Magnetic Particle Inspection Course. Level 1	£460.00
5 day Magnetic Particle Inspection Course. Combined Level 1 & 2	£735.00
5 day Radiographic Course. Level 1 or Level 2	£885.00
2 day Basic Radiation Safety Course	£435.00
3 day Radiation Protection Supervisor Course	£495.00
1 day Digital Radiography	£335.00
5 day Radiographic Weld Interpretation	£735.00
5 day Radiographic Casting Interpretation	£735.00
5 day Radiographic Aircraft Structure Interpretation	£735.00
5 day Eddy Current Course. Level 1 or Level 2	£860.00
5 day Ultrasonic Course. Level 1 or Level 2	£860.00
5 day Composite Inspection Course	£885.00
5 day Composite Bond Testing Course	£885.00
5 day Visual Inspection	£735.00
2 day Introduction to Welding Inspection	£395.00
5 day PCN Welding Inspector Course. Level 1	£695.00
5 day PCN Welding Inspector Course. Level 2	£695.00
2 day NDT Appreciation Course	£460.00
2 day Acid Etch Inspection Course*	£535.00
2 day Mechanical Testing Course	£535.00
2 day Hardness & Conductivity Course	£535.00
2 day Anodic Flaw Detection Course	£535.00
2 day Heat Treatment Course	£535.00
1 day Heat Treatment Course	£360.00
1 day Engineering Surface Chemistry Course (Introductory Level)	£360.00
1 day NDT Instruction (Technique) Writing Course	£335.00
1 day NDT Instruction and/or Procedure Writing Course	£335.00
1 day Specialised 'One to One' Training including L3 Preparation	£335.00
Training course conducted at students place of work per day plus agreed expenses (maximum of 6 candidates)	£625.00

Candidates for Level 3 examination who do not hold a PCN Level 2 qualification must successfully complete a Level 2 Practical examination in order to proceed to Level 3.

Level 2 – Practical examination

Liquid Penetrant Inspection	£280.00
Magnetic Particle Inspection	£280.00
Ultrasonic Testing	£330.00
Eddy Current Testing	£330.00
Radiographic Testing Materials & Components	£380.00
Radiographic Testing Materials, Components & Structures	£430.00
Radiographic Testing Welds (Aerospace)	£375.00

Level 3 Basic examination in 3 parts

A1 – Materials Technology and Science	Total cost
A2 – Qualification and Certification procedure	for 3 parts
B – General Theory of 4 NDT Methods including principle method in which Level 3 certification is sought	£260.00

Level 3 - Main Method Examination – one of the following

General & Specific Theory - Liquid Penetrant Inspection	£270.00
General & Specific Theory - Magnetic Particle Inspection	£270.00
General & Specific Theory - Ultrasonic Testing	£270.00
General & Specific Theory - Eddy Current Testing	£270.00

Candidates for RT Level 3 must hold, as a minimum, the BRS qualification

BRS, General & Specific Theory - Radiographic Testing	£400.00
General & Specific Theory - Radiographic Testing	£270.00

<u>Level 3 - Procedure Writing</u>	£150.00
