

## PCN AEROSPACE EXAMINATION PRICES 2012

Level 2 - Initial	
Liquid Penetrant Inspection	£400
Magnetic Particle Inspection	£400
Ultrasonic Testing Materials & Components	£415
Ultrasonic Testing Materials, Components & Structures	£470
Eddy Current Testing Materials & Components	£415
Eddy Current Testing Materials, Components & Structures	£470
Radiographic Testing Materials & Components	£495
Radiographic Testing Materials, Components & Structures	£545
Radiographic Testing Welds (Aerospace)	£495
Basic Radiation Safety	£140
Radiation Protection Supervisor	£185
Level 2 - Supplement	
Ultrasonic Testing Structures	£225
Eddy Current Testing Structures	£225
Radiographic Testing Structures	£295
Level 2 - Retest	
General or Specific Theory	£195
Practical	As per re-certification
Level 2 - Recertification	
Liquid Penetrant Inspection	£315
Magnetic Particle Inspection	£315
Ultrasonic Testing	£375
Eddy Current Testing	£375
Radiographic Testing Materials & Components	£415
Radiographic Testing Materials, Components & Structures	£495
Radiographic Testing Welds (Aerospace)	£415
Level 2 - Transfer from General to Aerospace	
Liquid Penetrant Inspection	£315
Magnetic Particle Inspection	£315
Ultrasonic Testing	£370
Eddy Current Testing	£370
Radiographic Testing Materials & Components	£495
Radiographic Testing Materials, Components & Structures	£495
Radiographic Testing Welds (Aerospace)	£415

Please note that all PCN examinations are subject to a Levy of £54 + VAT in addition to the prices shown above. All prices exclude VAT

## PCN AEROSPACE EXAMINATION PRICES 2012

### Level 3

Candidates for Level 3 examination who do not hold a PCN Level 2 qualification must successfully complete a Level 2 Practical examination in order to proceed to Level 3.

Level 2 – Practical examination	
Liquid Penetrant Inspection	£290
Magnetic Particle Inspection	£290
Ultrasonic Testing	£340
Eddy Current Testing	£340
Radiographic Testing Materials & Components	£390
Radiographic Testing Materials, Components & Structures	£440
Radiographic Testing Welds (Aerospace)	£485

Level 3 Basic examination in 3 parts	
A – Materials Technology and Science	Total cost for 3 parts £275
B – Qualification and Certification procedure	
C – General Theory of 4 NDT Methods including principle method in which Level 3 certification is sought	

Level 3 - Main Method Examination – one of the following	
General & Specific Theory - Liquid Penetrant Inspection	£280
General & Specific Theory - Magnetic Particle Inspection	£280
General & Specific Theory - Ultrasonic Testing	£280
General & Specific Theory - Eddy Current Testing	£280
Candidates for RT Level 3 must hold, as a minimum, the BRS qualification	
BRS, General & Specific Theory - Radiographic Testing	£415
General & Specific Theory - Radiographic Testing	£280

Level 3 - Procedure Writing	£165
-----------------------------	------

Level 3 Retest - Basic	
A or B or C	£145

Level 3 Retest - Main Method General or Specific Theory	£195
---	------

Please note that all PCN examinations are subject to a Levy of £54 + VAT in addition to the prices shown above. All prices exclude VAT
