

## PCN GENERAL EXAMINATION PRICES – 2012

PCN Certification is described in general terms in the current issue of General Requirements for Qualification and PCN Certification of NDT Personnel (PCN/GEN).

### The South West School of NDT can offer the following PCN examinations:

Appendix B	Cast products, covering radiographic and ultrasonic NDT methods.
Appendix C	Welded products, covering radiographic, ultrasonic and electromagnetic NDT methods
Appendix D	Wrought products, (including forgings), covering ultrasonic NDT methods. (Also ISO 208070 appendix A)
Appendix E	Pre and in-service inspection (multi-sector, including castings, welds and wrought products), covering liquid penetrant, magnetic particle and visual testing NDT methods, and including radiation safety certification.

The above accreditation covers certification according to EN 473 and ISO 9712. Appendix G also covers certification according to ISO 11484.

For PCN Weld Inspector Level 1, 2 & 3 examinations, refer to document reference: PCN WI Specific Requirements for the Certification of Personnel for Weld Inspection.
